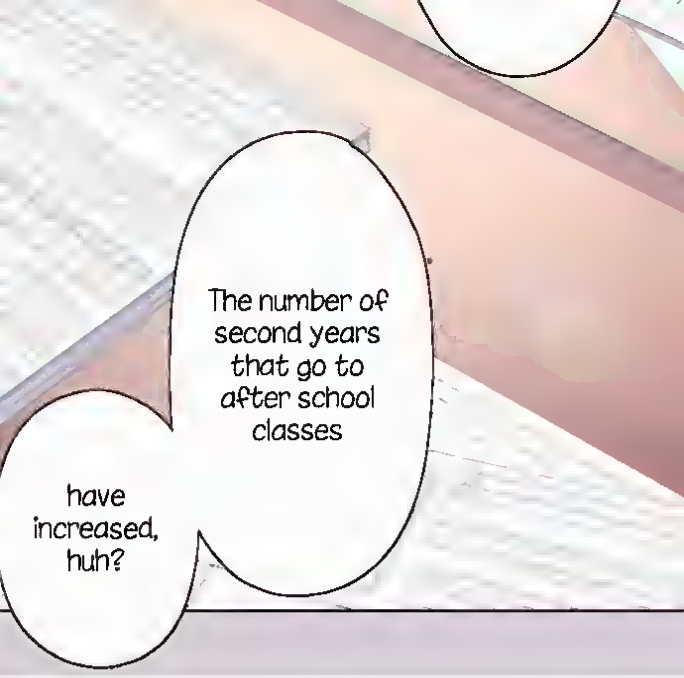
Nonaka...
What do you always do after school?
I usually do student council work but
Sometimes I help out with other clubs
After that I hang out with Youhei and the others
.....

Ah, by any chance do you have after school classes?



The number of second years that go to after school classes
have increased, huh?

Maybe I'll try going too...

.....

Ah, what did you watch on TV yesterday?
Talk shows are interesting whenever you watch them, right?

.....

.....
Uwa~
Awesome...!

You're
really good
at drawing

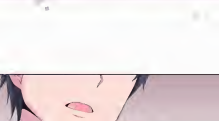
N...No I'm not that...
You like manga so are you trying to draw it yourself?
Do you want to be a manga artist?
N...no...
It's just a hobby

Hobby?
Which means you're drawing manga after all

It... It's
nothing special...

If it's ok, can you show it to me?

S... Sorry but,

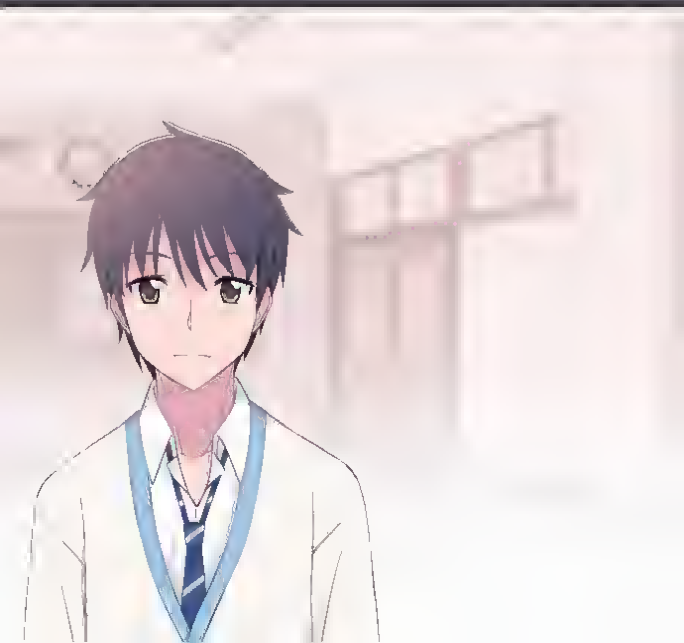


It's nothing to show off...

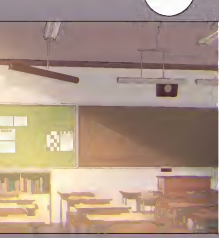
Is it because we're not friends you don't want to show me...?
Ah...

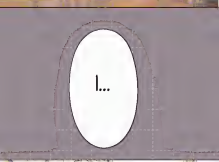
It's you fault,
It's your fault
it became like
this!
.....
We're not
friends
anymore!

I don't have any friends and decided I won't make any

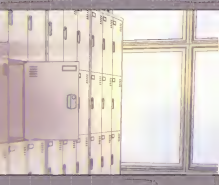


Ah, that's it!
In the future, when you become a famous artist,
There's a chance friends might get in the way...
That's not the reason!!
Well then is it fine if we're just talking?
That is...
.....
.....

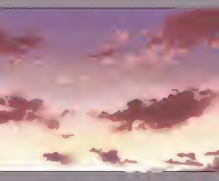




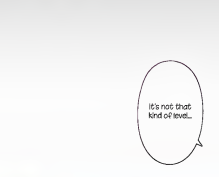
I...



You might not believe me but,
I bring misfor-tune



If you're just a normal person, even if something unfortunate happens you think you just had bad luck but



It's not that kind of level...

Other people

get dragged into it...

Isn't that just your imagination...
Then Kasugai...!

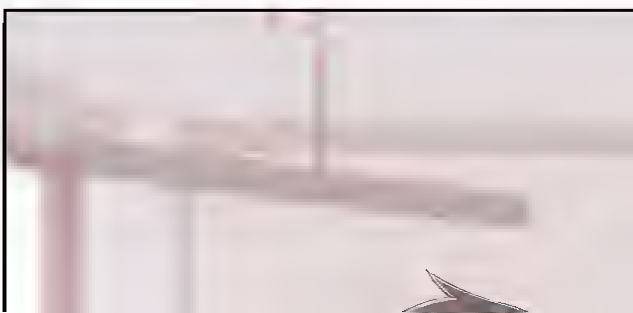
Just because you're there
Every feild trip gets canceled
The car always breaks down at the destination

Things that everyone worked together for
fall to nothing
A simple mistake
and you hurt people. Has that ever happened to you?

……

I...

have



Actually... The truth is...

To be Continued.
